

BARNDOMINIUM BUILD BUDGET

The most comprehensive budgeting tool for your barndominium project. It can be used with post, steel/hybrid, or stick frame construction.

CLICK HERE TO ACCESS THE SHEET

The barndominium build budget was created in Google Sheets. It is recommended that you create a free account if you do not have one already. Click [HERE](#) for instructions.

It's a great opportunity to have a dedicated email address for your build! After clicking on the link, select make a copy + you'll be ready to go!

IMPORTANT: Do not input any information in the blue highlighted fields. Using them instead of the other fields will break the formulas + your information will not be accurate.

PREPARATION

Design
Permits + Fees
Utility Costs

STRUCTURE

Costs associated with the foundation
+ type of barndominium you're
choosing to build.

WHO'S IN CHARGE

Keep tracking of who is managing
each part of your project, subs,
suppliers, + more.

TRACKING

See your price per square foot,
budgeted total, + actual running
total as the project moves forward.
